- Temps checks for students and volunteers before entering
- Similar to Midweek and Sunday programming, we will place your student in a small group of their peers and leaders to travel with throughout The Weekend
- Social distancing between groups
- Masks required for volunteers except when on stage
- Masks recommended for students when distancing isn't possible
- Clear communication with you in the event of a COVID-19 exposure
- We plan to sanitize surfaces between services/during the event and offer hand sanitizing stations
- A streamlined check-in process, as contactless as possible
